For one, waffles are the perfect accompaniment to a cup of black coffee, topped with a scoop of butter and a tiny bit of jam. And two? Never mind. Buttermilk makes the day better in my book, no matter where or when. Buttermilk is amazing in a lot of ways. It's tangy and delicious with scrambled eggs, biscuits, pancakes and pancakes, sausage, and any other simple mix you like. Buttermilk is a wonderful partner for lighter dishes, especially when topped with cheddar and roasted garlic. There are a few types of waffles. Some we use for bread or biscuits; others we use for waffles or even pancakes. There are many recipes for waffles and buttermilk, some we even use for the latter. The problem is, many of them require that you soak the waffle iron overnight. That's just crazy for me. I don't want to soak anything. So I made my own, a nice, light waffle with a bit of yeast that absorbs the buttermilk and gives the waffle a light, soft texture. I like it. I've prepared this recipe
